**Opportunities For Service** Whether it's having a blast with the kids in Children's Ministry or being the first smiling face that someone sees when they walk through the door; if you would enjoy praying for the ministries within the CN Family or have awesome computer skills, there is a place for you to connect here in the ChapelNext Family. If you are interested in serving with any of our teams, contact rochellewheeler@verizon.net or see Rochellé after the service in the tech area.

**PWOC** The Ft. Belvoir PWOC Drop-In DVD Bible Study, "Unwrap the Bible", will run through 6 August, from 0930-1200, at the REC on 12th Street (next to Belvoir Chapel). Free on-site WatchCare is available for children 6 weeks -11 years old. No need to register, just come when you can.

**Vacation Bible School** VBS will be 16-20 August from 1830-2030 in the REC. Volunteers are still needed to serve as lead teachers, tour guides, crafts leaders, and for snack preparation. The children will safari up Mount Kilimanjaro and our trekkers will learn that true wisdom comes only from the one true all-wise God. Trekkers will study Proverbs, as they set their compasses for Africa and prepare for an epic expedition. To volunteer, or for more information, contact Mike Webb, 703-806-3958, michael.e.webb10.civ@mail.mil.

**Children's Ministry** Our children's ministry offers a fantastic curriculum by Orbit Media called **KIDMO** and **Lil' K** for ages 4 yrs. to 5th grade. Both programs are interactive, media-driven curriculum that initiates personal, social and cultural transformation by connecting children with a Biblical world view using state-of-the art technology to tell the timeless message of truth in God's Word, communicating in a fun style that kids love with energizing music and creative games. **Teachers and teen helpers are needed.** POC: Jay & Frances Santiago at 910-988-7334
